Date de référence géographique

It includes persons who looked for work during the last four weeks but who were not available to start work in the reference week, as well as persons who did not work, did not have a new job to start in four weeks or less, were not on temporary lay-off or did not look for work in the four weeks prior to enumeration.

Système de référence géodésique

Movers are persons who, on Census Day, were living in a different dwelling than the one they occupied five years earlier. Data are available for persons 15 years of age and over, excluding institutional residents.
