Growing Flowers Preschool Theme

Cooking with children helps develop their math skills and helps them to learn how to follow directions.

Ocean Life Theme for Preschool

Teachers follow a goal-oriented, theme-based curriculum with planned activities, daily schedules, and consistent routines which meet the needs of the individual child.

The Implementation of Theme Based Teaching to Improve Students' Achievement in Narrative Text

Bring in 2 plants of the same type. A component to written exercises is that students are expected to also practice the content orally. Show the children how to rub the paper with the sides of the crayons.

Developmentally Appropriate Activity Planning Assignment

Each lesson also includes questions and answers, matching exercises, and simple writing activities. Flowers are growing, flowers are growing move hands from your sides to up over your head All around! Some suggestions: paper clip, sponge, crayon, plastic straw, etc.
