. The complexity of identifying traumatic memories associated with a journey from origination country to destination country may produce states of fear and challenges in articulating traumatic events.

TRAINING

My overall goal for individuals to be themselves and feel comfortable reaching their therapeutic goals. Any participant who arrives 15 minutes late or leaves 15 minutes early to a training event will not receive their certificate and or a refund. In 1984 she would attain the chair herself — the first woman to do so — and continued in the role when the Fine Arts school was brought under the.
