Hackney Marshes

Hackney Marsh is one of the largest areas of common land in Greater London, with 136. Today the marshes provide many pleasant walks, in reach of the inner city, but the most famous use of Hackney Marshes is for , with 88 full-size pitches marked out.

Hackney Marshes (Greater London)

The wards with more than 35 per cent, however, were Hackney's central ones from Lea bridge to the southern end of Stoke Newington. One, , became scheduled in 2009 as one of Britain's historic park and garden at risk from neglect and decay. Terrified student Helen Murray had raised fears over the identity of the animal after taking pictures of it strolling through woodland earlier this month.

Hackney Marshes (Greater London)

Is the marshland a sacred site? I was not prepared for its broad scope.
