## Metallocene

Polymer-Carbon Nanotube Composites: Preparation, Properties, and Applications. Mechanistic aspects of metallocene catalysts; cyclo-olefins, dienes and functionalized olefin polymerization; styrene polymerization; commercial metallocene polymerization methods; rheology and processing of metallocene-based polymers; applications of metallocene-based polyfins.

## Metallocene

Metallocene Catalyst Technology in a Bimodal Polymerization Process H. Computational Modeling of Single-site Polymerization Catalysts T.

## Polyolefin nanocomposites based on metallocene catalysts

RHEOLOGY AND PROCESSING OF METALLOCENE-BASED POLYMERS. The dust jacket for hard covers may not be included.
