UN chief outlines solutions to defeat ‘four horsemen’ threatening our global future

Shall now be heard by one who seeks, to stop the havoc that it wreaks. The theft had been carried out methodically, according to a logical and inexorable plan.

Acceptance Address by Mr. Charles W. Colson

The spot, not far from Auteuil, on the edge of a pond hidden amongst the trees, was absolutely deserted.

A Horseman in the Sky Study Guide

In ancient Hebrew and in those Semitic languages retaining the ghayin variant of ayin, the latter words are spelled with ghayin, but are nevertheless etymologically related. Then consider this startling situation: Arsène Lupin was wandering about within the limited bounds of a transatlantic steamer; in that very small corner of the world, in that dining saloon, in that smoking room, in that music room! Now, WE SEE: the belly of the headless corpse is bulbous, because the Widow Windsor was very far along in a pregnancy. He was able to ascertain that he was located between the two wheels.
