Affiliation Ships will engage in a number of affiliations with cities e. Hata Ikuhiko offers one such example in his account of the Yasukuni controversies, in which he argues that the clique of former military officers kyū gunjin gurūpu in the Ministry of Health and Welfare played an important role in negotiating the enshrinement of war criminals and the installment of pension and governmental benefits for war criminals and their families. What I mean by this term here is that they were the former colonial subjects of the Japanese empire and had ethnic Korean origins.
