Job Classification System

General questions concerning the SOC may be sent by or faxed to 202-691-6444. Cutter's system was not adopted by many libraries, with one major exception: it was used as the basis for the system. Job descriptions are routinely updated after the end of each legislative session to denote changes in salary groups, new job classification series, new job classification levels, and title changes.

Job Titles and Class Specifications

This tab may also describe opportunities for part-time work, the amount and type of travel required, any safety equipment that is used, and the risk of injury that workers may face. The abridged edition generally parallels the full edition, and has been developed for most full editions since that date.
