A Step

Specific responsibilities of each group are outlined below. Many minorities also experience challenges in being excluded or discriminated against at conferences on account of their ethnicity, religion, gender identification, seniority, physical abilities or other characteristics of their identity.

Event Planning Guide

SIGCHI Local Chapters are unique in bringing together local practitioners, academics and students in the field of HCI. There might also be other societies or groups outside of SIGCHI you might consider connecting with. Our experience organising an inclusive conference We were delighted that many of the recommendations from the guide were successfully put into practice at our REACH conference.

Event Planning Guide

Providing for the special needs of the conference market with purpose designed, built and equipped facilities.

Before Preliminary Approval ACM and SIGCHI conferences SIGCHI is part of ACM that has its policy and procedure guidelines on conference organization. Look for enthusiastic, organised and driven team players.

New best

It has been the practice in recent years to build extension dates into the planning for proposals.
