## Critical Issue: Addressing the Literacy Needs of Emergent and Early Readers

The concepts can be applied to a wide range of environments CLOSE The goal for all general education and special education students is to be learning, engaged, and independent.

## Child Development

It's not to say you can't, or shouldn't, switch it up a little, but reading from the same book regularly will enhance all of the learning strategies you're employing, enhance his vocabulary and make it much easier for him when he is required to start reading on his own. By revisiting stories many times, children focus on unique features of a story or text and reinforce previous understandings. Barangaroo Montessori Academy is a welcoming and vibrant community.

## Strategies for Improving Early Childhood Literacy

This session will explore using higher order thinking questions, play based learning, a focused read aloud, discrete trial training, and fluency instruction to build vocabulary with your preschoolers.

## Castle View Primary School » Learning

Repeated readings of favorite stories allow children an informal opportunity to gradually develop a more elaborate understanding of these concepts. We will put Chester and the journal in the classroom library when he is not on a visit, so everyone can see where he has been.
