For one second Alice did think it might be a kitten, but she knows now that it is part of a woman's dress. Then, with a curtsy to Steve that he can surely never forget, 'Mr. Just think, Alice; after to-day, you will know your baby anywhere.

25 Sep 1925

Then he sat down by the fire, and nodded his head three times. Amy has just put on that glove.

Darling, How Could You! (1951)

I came here expecting to have to hide. Do the officers love you, Cosmo? Mother couldn't help thinking the scene was a good omen, though.

Darling, How Could You! (1951)

It is not true, father, that Mr. He then raises his head and surveys Ginevra. I say, I wish you would tell me who you are.

Alice (Sit

Father, if mother goes away, what is to become of me? All she needed, Ginevra, to bring out her finer qualities was a strong nature to lean upon; and she says that she has found it in me. Not one little bit of china? Shortly thereafter, the parents are visited by an old friend from India, a man named Stephen Rollo Neil McGowan.

Alice Sit By The Fire on Apple Books

Here we meet the twittering teenager Amy Grey delightfully played by Betty Wigell and her friend Ginevra Tania Getty , anxiously awaiting the arrival of Amy's parents, who are returning to England after a five-year military stint in India.

Alice Sit

COLOKEL, to Steve, who is indeed the more bewildered of the two, 'And a few minutes ago I assure you she was weeping on my shoulder!
BARRIE A COMEDY By J. Then to the bewilderment of Steve two human frames are rocked with laughter. I have thought so long of how I was to be within hail of my girl at this time, holding her hand--my Amy, my child.
