Dependent ally : a study in Australian foreign policy / by Coral Bell

In Australia, as elsewhere, the Anglo-French decision to use force precipitated a great debate about both the legitimacy and the wisdom of the action.

Biden called on to defend ally from China's 'authoritarian' policies

Subsequent Liberal and Country Party governments in Australia have tried even more actively to sustain and develop the existing association with the United Kingdom. Further, at the annual high-level talks on defence and diplomacy in Sydney last August, the foreign and defence ministers of both nations signed the Force Posture Agreement FPA.

Trade

Another risk is a hotly debated issue: how to reconcile Australia's rapidly expanding trade ties with Beijing and its deepening security alliance with Washington.

Student

There are of course shortcomings in the Australian record; for instance, defense expenditure could well have been more productive had there been a clearer definition of objectives. More recently, during various visits by several Chinese diplomats to the Caribbean region a deal was signed for China to help establish the at the. How the Labor Party would sustain an equally close association with the United States without at the same time an active participation in Asian security arrangements is something which it has so far not explained and about which it will need to do a good deal of hard thinking.

Foreign Investment in Australia

Canberra should increase Navy or maritime-related exercises, and consider possible combined or tri-service TNI—ADF exercises built around maritime challenges and informed by regional multilateral exercises, while reducing the number of Army special forces exercises. Mongolia , but has largely been a non-participant in enforcing these claims.
