They had little to gain by switching to the Bodinian international and constitutional law that favored the strong sovereigns who were able to defend themselves and conquer others by military force—in this case, after another civil war in 1712, most likely the large Protestant cantons Berne and Zurich.

Steam Workshop::CIVITAS Switzerland

Switzerland shared this challenge not only with the Holy Roman Empire, but with most other European countries.

Translation of Chronicon in English

Michael Böhler, Etienne Hofmann, Peter H.

Steam Workshop::CIVITAS Switzerland

The other half of the problem of liberty consists exactly in the necessity to create a stable order that gives rights and equal opportunities to all. He ordered Tell to shoot an apple atop the head of his young son, Walter. Dazu sammelte er gegen 700 Urkunden und Überlieferungen.

Chronicon Helveticum

We join him on page 151: The same criterion applies to the familiar legend of William Tell. As elsewhere, the republican language used in these circles had ambivalent implications in Switzerland. The expansion was not due to more recently discovered facts, but to the desire for more detail and more explanation.

Why Did the Swiss Miss the Machiavellian Moment? History, Myth, Imperial and Constitutional Law in the Early Modern Swiss

Confederation

Gessler acceded, and Tell cunningly maneuvered the boat close to the shore, saving Gessler from the storm, but then he leapt to freedom, landing on a flat rock the Tellsplatte and escaping into the surrounding forest. In the face of defeat, the Habsburgs agreed to a truce that held out, with minor breaches, until the end of the century. When Gessler heard of this, he became enraged, fearing that other men would also disobey him, and ordered William Tell's arrest.

chronicon helveticum oder von tschudi

And this year, you have been chosen. ... Machiavelli was no longer reduced to an immoral bogeyman who would scandalize the apologists of a politica Christiana. Like Machiavelli, such thinkers of the mixed constitution generally considered the constitutional question itself monarchy or republic to be much less important than the moral one tyranny or not when they discussed the main purpose of political order.

Chronicon Walkthrough

In Switzerland itself, however, there was rarely a deliberate shift from imperial symbols to those of republican sovereignty.
