Accessible Holidays in USA for people with disabilities

Take a look at some of our many. Before booking a supported holiday you can have a chat with one of our trusted team members to discuss your requirements. The holidaymaker may bring their own carer, family member or friend to assist them with their needs.

Disability Holidays Guide

You can also rely Limitless as we'll always be with you on excursions if you need our assistance. We endeavour to provide helpers to assist the disabled holidaymakers with their physical needs, so that they do not have to rely on family or friends in order to get a holiday.

Disability Holidays Guide

With the largest choice of accessible holidays in the UK and abroad plus cruise, we have something for everyone.

Accessible Holidays in Cornwall for people with disabilities

Can you provide holidays for deaf people?.

Disabled Holidays

Fully accessible cabins feature wet rooms, the ships are clean and modern and the crews are experienced and friendly. On the other hand you may want to enjoy your holiday more independently.

Accessible Holidays in USA for people with disabilities

With this in mind, we're proud to offer completely disabled friendly and accessible holidays. Accessibility is excellent, and is a great day out for the whole family.

Accessible Holidays in USA for people with disabilities

They also happen to be some of the most accessible holidays you could imagine! Cruises are a luxurious way for you to travel the world; often without even having to get on a plane! Accessible rooms available please enquire for facilities available. Perfect for people watching, gazing out on the horizon or soaking up the sun. Call us and we can discuss what portion of the holiday can be funded by the NDIS.
