## Catalog Record: The nature of man : studies in optimistic...

Then, again, women are decidedly more sober in their judgment than we are, so that they do not see more in things than is really there; whilst, if our passions are aroused, we are apt to see things in an exaggerated way, or imagine what does not exist. Why We Disagree About Human Nature.

**The nature of man; studies in optimistic philosophy, (Book, 1903) [styleguide.expo.io]**

Proceedings of the National Academy of Sciences.

## Nature (philosophy)

Simon Blackburn, The Oxford Dictionary of Philosophy London: OUP, 1994 , 126. He was an important influence upon , , and , and the development of , , and.

## Nature (philosophy)

It has been suggested that optimism may be indirectly inherited as a reflection of underlying heritable traits such as , , and. Legalists posit that human selfishness can be an asset rather than a threat to a state.
