9780753507476: Gilles Villeneuve: The Life of the Legendary Racing Driver

Gilles Villeneuve is one of my favorite drivers, and it was of great interest to me to learn more about the man and his fiery passion and driving ability. He was pure racer in all senses of the word - always on the limit, never settle for points, etc. This is, without doubt, the best motor racing book this reviewer has ever read.

9780753507476: Gilles Villeneuve: The Life of the Legendary Racing Driver

I enjoyed reading about a hero who was before my time, as his legend lives on.

Musée Gilles

This book delves behind the scenes to give us an insight into his past and what he was really like away from the track. With his flamboyantly aggressive driving style and his distinctive scarlet Ferrari, he captured the imagination of a vast international audience as no other driver has in recent times.

Gilles Villeneuve: The Life of the Legendary Racing Driver by Gerald Donaldson

Buy it and god bless Gilles Gilles Villeneuve has been my hero for many years prior to purchasing this book, so in some respects, I may be biased about the content.

Gilles Villeneuve

If you are a fan of Formula One, then you owe it to yourself to read this book. Gilles Villeneuve truly was the purest driver the sport has ever seen. There was a risk of being disqualified but eventually the wing detached and Villeneuve drove on to finish third with the nose section of his car

missing.

Gilles Villeneuve: The Life of the Legendary Racing Driver by Gerald Donaldson

Hard to believe that someone so awesome had someone so lame as Jacques Villeneuve for a son.
