Now, this is not to be read as a critique of marijuana usage in any way. Influenced by forces in culture and predisposed by factors in the human personality, narcissists tend to be: More concerned with how they appear than what they feel; Seductive and manipulative, striving for power and control; Egotists, focused on their own interests but lacking the true values of the self - self-expression, self-possession, dignity, and integrity; Without a solid sense of self, which leads them to experience life as empty and meaningless. This inspiring, pioneering book explores the cultural and psychological forces that contribute to this condition and shows how we can overcome depression, first by reestablishing the connection to our physical selves and learning to recognize the physical manifestations of our emotions.

Lowen, Alexander [WorldCat Identities]

His interest in the link between the mind and the body developed during this time. Aprašomi pratimai, kuriuos darant galima išlaisvinti nuslopintą ir užstrigusią energiją, bet tų pratimų pats vienas nepadarysi.
