2021 Architecture Biennale the Nordic Pavilion as experimental cohousing

The configuration of works highlights the transformation of the classical moving image into digital image production processing. Opening Friday, 15 November, 12.

Abuja International Housing Show

They consist of various components and are resonant with deep emotion and melancholy. Ostensibly for research purposes, a private corporation uses a mainframe to create a computer-animated world where economic and social developments can be simulated in order to make forecasts and thus lay the basis for decision-making.

Social Housing in Europe Exhibition

In her work, the Qatari-American artist explores forms of redress and revision, engaging with writing and drawing as a way of rejecting speechlessness and acknowledging untold histories and lives that have been suppressed, silenced, or have gone unwritten.

CIEHI 2021(Beijing)

We will never give your details to anyone else without your consent. It is intended to support the growth of the venue, which is close to the Capital International Airport designed by.
