In Malayalam the modern movement began in the late 19th century with Asan, who was temperamentally a pessimist—a disposition reinforced by his metaphysics—yet all his life was active in promoting his downtrodden Ezhava community. Descent is traced through the paternal line; clan and

kindred are fundamental to social organization.

Väder för Gilān i Iran

. The Nāṭya-śāstra claims to have derived song *gīta* from the chanting of the Sāmaveda, and the resemblances between the two may not be entirely fortuitous. In the early 21st century, the consensus view placed Manipuri in its own subdivision of the so-called Kamarupan group—a geographic or areal rather than a genetic designation but one that must suffice until more definitive information becomes available.
