Step Into a World: A Global Anthology of the New Black Literature Edited by Kevin Powell

Former Black Panther of Panther 21 fame Afeni Shakur put it best. Used items may not include supplementary materials such as CDs or access codes. The right education provides possibilities and hope, introduces you to other people, other worlds and cultures, and allows you to intelligently make decisions about your life that can place you among the builders and movers of the world, rather than forever standing on corners talking bad about black people, white people, and wishing for this or that to materialize.
