**Institute for the Study of
Contemporary Spirituality (ISCS)**

We can't help but ask big questions: Research finds that even declared religious skeptics can't stifle a sense that there is something greater than the physical world they see.

Studies in Spirituality

I don't believe in god. Studies beyond the basic-certificate level are tailored to the special interest of the candidate from the general subject areas of the curriculum

International Network for the Study of Spirituality

The journal is published annually by the Titus Brandsma Institute. The Doctoral Program in Spirituality produces scholars with comprehensive knowledge of the overall discipline as well as a specialization in at least one particular area of Christian Spirituality. In one study reported in the Southern Medical Journal in 1995, physicians from a variety of religious backgrounds reported they would be comfortable discussing their beliefs if asked about them by patients Olive, 1995.

Ph.D in Spirituality

Puchalski, Oxford Press, 2006 Hardcover book Spirituality in Patient Care, 2nd edition by Harold Koenig, MD paperback Templeton Foundation Press, 2007 Primary Author: Daniel P.

The neuroscience of religious and spiritual experience

Description The Doctor of Philosophy PhD in Spirituality degree is an Oblate initiative in response to an expressed interest and hunger for graduate formation in Spirituality. This belief can provide a sense of comfort and support in difficult times—a recent study found that clinically depressed adults who believed their prayers were heard by a concerned presence responded much better to treatment than those who did not believe.

SSCS

It is also very helpful to consult with experts who represent different religious and spiritual traditions and different professional traditions. The program is intended for experienced ministers with a Master of Divinity degree or its equivalent who are ready to take their practice of ministry to the next level. The entire archive is available online to members of INSS.

SSCS

Whether you are religious, or nonreligious, your beliefs may affect the physician-patient relationship.
