## Sharḥ al

His troops defeated an Umayyad army on the banks of the Khāzīr River in 686, but the following year Mukhtār was defeated and slain by the forces of the anti-caliph.

## Mukhtar al

Everything has been collected from free internet sources. ETAS items are listed as print-only in our catalogue.

## Sharḥ al

The introduction to the translation locates the compilations in a historical context and elucidates how the various issues of family law are treated. In his call for revolt, Mukhtār appealed to the pro-Shīʿite of tribesmen.

As a promoter of the idea of the mahdī and of equality of Arab and non-Arab Muslims, Mukhtār influenced the course of later Shīʿite Islam and is thus more important than his brief success as leader of an egalitarian revolutionary movement would indicate. The volume concludes with a topical index and an index of names. The Libraries are open to serve you, even while our physical collections are unavailable during the COVID crisis.
