The Zoological Miscellany

Volume: 2 Pages: 302 Language: English.

The Zoological Miscellany

Illustrations, Index, if any, are included in black and white. It is curious that Gosse made no mention of circular or linear scars, but his account implied he was never particularly close to the whales, so they may have been overlooked along with the battle teeth? If it is multi volume set, then it is only single volume, if you wish to order a specific or all the volumes you may contact us. This would make it ~2 meters in length if shaped like a porpoise.
