Responsibility to Protect Beyond Borders

Brimming with youthful optimism or was it another mask of self-deception? Our experience, backed by previous editions of the book and the recommendations of colleagues throughout the world, has convinced us that it is easier for the novice to approach the structural aspects of language by first looking at morphology the structure of the most familiar linguistic unit, the word. Ludwig pressed him about these troublesome aspects of the work, but Trent thought them nonessential and advised him to complete the study and make the necessary changes when he returned to Columbia. Wealth, through this multiplied activity, poured into the kingdom; and that general prosperity was the result which led her subjects to invest the sovereign, under whom all this was done, with a hundred virtues and shining qualities not her own.

An Introduction to Language (9th edition)

Because of this damage-deficit correlation, research on patients with aphasia has provided a great deal of information about how language is organized in the brain. Mexican American women remain tenuously between the spaces of home and nation as they experience domestic violence from state and familial institutions.

Definition and Examples of Ambiguity in English

Our creative ability is reflected not only in what we say but also includes our understanding of new or novel sentences.

All too many of those who live in affluent America ignore those who exist in poor America; in doing so, the affluent Americans will eventually have to face themselves with the question that Eichmann chose to ignore: How responsible am I for the well-being of my fellows? Image and structure, word harmony and syntax, the whole of his literary art meant little in this business—all was subservient to the bottomless hunger of publisher and reader.

The life and work of Ludwig Lewisohn. volume I. "a touch of wildness"

Put broadly, domestic violence refers to threats of sexual, emotional, or psychological abuse within the home. Music is the best consolation for a despaired man — Martin Luther King Jr. Evidently, there is a difference between having the knowledge necessary to produce sentences of a language and applying this knowledge.

More than 55 years on, the former United Nations Trust Territory of the Southern British Cameroons is still languishing under the yoke of colonial domination and oppression by the Republic of Cameroun. A critical novelty of this project is that unlike in any of Blumenberg's examples of reoccupation, these analyses must consider the return of a myth within the era of philosophy.
