Maybe a wrong place wrong time kind of thing? Anyway so, I wanna say the moped talks to her but I dunno if I'm mixing that up with the time I remembered this movie and this baseball player kid had a talking skateboard and between juggling baseball and talking skateboards one would understand. Here are five books that deal beautifully with the theme of friendship, a prominent value in the lives of both children and adults.

## International Jewish Sports Hall of Fame, Jewish sports heroes, Jewish Olympic medalists, Jewish sports legends

They go all over the world I think to see what people do during the night or, day, I think, on the other side of the world. I think its because these

immortals in order to be immortal had to be brains in a jar type thing, and they figure out it's better to actually live than live in a simulation.
