NPP Has Blueprint For Ghana's Development — President Akufo

President of ZOYOD, Ibrahim Arkil, says the intervention is geared towards changing the negative image about zongo communities and reduce violent political activism, and rather redirect the energies of the youth towards development. Similarly, agricultural mechanization has served as an anchor for the relations of both countries. By focusing their efforts on job training programs, internships, and university collaborations, cities can build their existing pipelines while giving residents a chance to improve their circumstance.

Black Unicorn Business Blueprint

Entrepreneur assignments and group work provide a solid business structure that is reinforced with weekly live coaching and mentoring sessions for the cohort. President Nana Addo Dankwa Akufo-Addo has stated that the New Patriotic Party NPP has a blueprint for the accelerated development of the country and urged Ghanaians to vote massively for the party on December 7, 2020 to concretise it.

Next NDC Government Will Formulate Economic Diplomacy Blueprint

While this investment may begin as early as K-12, when students are first exploring career opportunities, it should also extend to boomerang talent those who return to the city where they once lived and members of the creative class those who make a living using their minds in professions such as science, engineering, architecture, design, education, arts, law, music, and entertainment.

Govt launches GH¢100bn economic recovery blueprint

I know that, by the grace of God, if the second term is realised, what lies ahead of us would far more exceed a hundred percent of what we have done.
