No matter how much they harm themselves or are harmed, the Kusaregedo member will be unable to exhaust their life force and physical vitality. The tailed beasts working together to attack Madara. It is deemed as such due to the Shokuyoku having no natural predecessor in the world of shinobi and the clan members can attest this fact.

## Shokuyoku

Their personality becomes much beyond sadistic and enters the realm of pure unforgiving desire to consume humans.

## Shukuyuu

As with the other tailed beasts, Shukaku also came to respect Naruto as well, commenting on his son with interest when he displayed a similar drive.

## Shokuyoku

During the , Gaara later transformed into his during his fight with , who summoned to counteract it. By granting the blood sentence, Rinne can influence and manipulate it in ways unattainable by the original Chinoike clan and their coveted. .

## Shokuyoku

Their secret blood ritual allows them a form of imperishability as their blood is unable to leave their body through wounds or other methods than their own.

## Shukuyuu

Later, when Naruto proceeded to move Shukaku to a new safehouse, the tanuki waved Boruto and Himawari goodbye with its tail. Sunagakure Support Mission In the anime, when Gaara's student got kidnapped by the , in a plot to take Shukaku's chakra, he rescued her and partially transformed into Shukaku to defeat the recently resurrected.
