Language of instruction in school is Spanish.

Journal of the Polynesian Society: Reviews, P 299

Whether the RIP was a failure is a question that Colebatch does not answer convincingly, but one that is extraneous to the main thrust of the monograph. . Those occurring most frequently have been inserted, but to have carried this to the full extent xxxvi Introduction, extent would have been to incorporate the bulk of the language, and to encroach on the province of an Arabic lexicon.
