## Shop — THE CAPTAIN'S DAUGHTERS

Who did, really, besides Mary Poppins? Three teens from Ellsworth had died on this road when Eliza was in high school—for the longest time there had been three wooden crosses there, adorned with flowers, teddy bears, bright strings of beads. Russell was one of those guys who always dropped his traps in the right place, always sensed the movement of the lobsters before they knew where they were going themselves, always caught more than everyone else.

She bent and kissed him very carefully on the cheek, avoiding the stitched-up area on his head, avoiding the sling.

### The Captain's Daughter

When Shvabrin insults Masha's honor, Pyotr and Shvabrin duel and Pyotr is injured. Deirdre had her hand over her mouth, and her narrow, bronzed shoulders were shaking with laughter. Collier, she of the stylishly cropped gray hair and nonchalant printed scarf, always told me.

### The Captain's Daughter

Sometimes when she made mistakes like that she sang a little song to herself: Mary Brown get out of town, Mary Brown go upside down.

## Shop — THE CAPTAIN'S DAUGHTERS

At points in the story, the storyline became very personal for the author. Riding your bike is your solution to everything.

### The Captain's Daughter

Such as: what the sky looks like when the boats go steaming out at dawn, a bright white ball just above the waterline, and around it a yellow glow like a halo, the sky going from black to gray to orange in just a blink. Fish out that dog from in the drink and fetch him to my daughter! Pyotr rushes off to prevent this marriage, but is captured by Pugachev's troops. This causes a rift between Pyotr and Shvabrin, who has been turned

down by Masha.

### **The Captain's Daughter**

In the process, she confronts her past and the decisions and events that shaped her life choices. It was June, the last day of school, and already hot.
