## Studying 101: Study Smarter Not Harder

Re-reading leads to quick forgetting. Rather than relying on stress figure out other potential motivators that work for you. Both the study skills workshops and the online introductory academic literacy course are fully supported with handouts and practice exercises.

## Teaching Study Skills to Empower Your Students

Go through the stack discarding the cards you know, until you know the material on every card. This compensation does not influence our school rankings, resource guides, or other editorially-independent information published on this site.

## Studying 101: Study Smarter Not Harder

Also make sure you know how to contact your school, teachers, and other people when you have a question or concern.

## Teaching Study Skills to Empower Your Students

If you find that you have some extra time in your day, use it to get ahead in the classes that you can. © 2011 - 2021 SkillsYouNeed.

## Study Skills Teacher Resource Guide and Activities

Instead of feeling forced into cramming for a test, the highest achieving students begin the study process long before classes begin—creating schedules, gathering tools, and developing study strategies. Here are some common fears about taking tests and solutions for taking control. Explain that these are external distractions.

## Study Skills For Language Students A Practical Guide PDF Book

Then share Activity Four in the Study Skills: Study Environment printable. If you require advice and information about language proficiency please contact the. Start a conversation about study habits in your classroom.

## **Everyday Study Skills**

If you take time to help your students understand this about themselves, you will see a greatly increased aptitude and interest.
