Charles, Duke of Vendôme

In 1477, King led an army and occupied key towns in Picardy. Its experience of the first period of absolutism provides an enlightening contrast with that of other, more outlying provinces: the Picard nobility was notable for the extent of its participation in the army, the court and the government of France. David Potter provides a detailed analysis of the organisation of French military power in the province, and its impact during the period of the Habsburg-Valois wars.
