### Making friends

A kickoff may last anywhere from a few hours to a few days,.

### Japanese Hand Gestures and Body Language and Guide (With Video)

It makes you wonder how much planned showmanship may be involved.

### Japanese Body Language: 7 Key Gestures to Learn

Look for rubbing the forehead, rubbing the eyes, playing with the hair, rubbing lips---all of these are behaviors people use to calm themselves down. In casual conversation, practice mirroring expressions and movements so you feel confident about it before your big meeting. In formal meetings, the minutes become official after review and a vote at the next meeting.

### Hand to face gestures

If someone is looking everywhere but you, they're probably not comfortable.

### Hand to face gestures

Convergent thinking is the opposite of divergent thinking.

### 10 Body Language Signs That You Should Know in Every Situation

Ice breakers range wildly, from simple one-question answers to elaborate team games. Gesturing with your palm facing downwards says, 'I'm in control here.'
