The Gods of Prehistoric Man by Johannes Maringer

Shamans, Sorcerers, and Saints: A Prehistory of Religion.

List of knowledge deities

Middletown, Connecticut: Wesleyan University Press. The Sage of the first king in the SKL, the first king of Eridu was called Uan-adapa, who might well have been Adam, except that Adam was dead before he became king if we take the units in the SKL as days. Analysis of prehistoric religion in fiction often restricts its study to the Paleolithic, neglecting later treatments of the phenomenon.

Does the Bible mention prehistoric men such as cavemen or Neanderthals?

In Southeast Asia, Bronze Age burials were of far greater complexity than those for their Neolithic predecessors.

Shamans, Sorcerers, and Saints: A Prehistory of Religion. Then Sippar had one king reigning for 21,000 units. Evolutionary scientists simply have a theory, and then they force the evidence to fit the theory.

Prehistoric religion

Cambridge Ancient History and Genesis - Feyerick, put this advance as occurring in 3500BC, so the whole process was from 3700 to 3300BC in this Chronology. About same time these people started dishing out this fantasy of evolution.

Prehistoric religion

So since false worship took a while to re-establish after the flood, and since we have no evidence of the city of Shuruppak being rebuilt after the flood, we can say that the flood was after 2500 BC. Though the spiritual significance of these artifacts is unknown, archaeologists and argue they must have been deeply important to those societies that forged them to play such funerary roles. Middle Paleolithic spearheads have been found in

Tsodilo's Rhino Cave, many of which were distinctly painted and some of which had apparently travelled long distances with nomadic hunter-gatherers.
