We also proposed to add a new paragraph at § 484. American Subacute Care Association Annual Conference. California Association of Health Facilities.

Handbook of subacute health care (1995 edition)

Finally, we proposed at § 484.

Handbook of subacute health care (1995 edition)

We do not have the expectation that HHAs will be presenting a translated patient rights document to every single patient in their native language when they are admitted and before they begin receiving care. In order to determine what people mean by the term subacute care, we completed a thorough content analysis of all of the available publications, trade journals, and association literature related to subacute care.
