## 20 MTV Shows From The '90s That Need A Reboot

The tone of the series is usually kept, but a new story is being told, with new central characters at the center, usually portrayed by a different cast.

## Anthology Finder

The first part contains all the stories from First Forty-Nine Stories. Hanks impresses with the stylistic flair, evocativeness, and soft-heartedness, but, above all, his authenticity.

## The 50 Best Anthology Horror Films

He holds an MA in Creative Writing from Kingston University and is presently working on his third novel, Mind The Gap. It is a terrific little tale of a counselor who does past lives regressions.

## Rehearsals for Oblivion, Act I: Tales of the King in Yellow by Peter A. Worthy

Some just try too hard to mimic the classic Chambers collection, others just flat-out weren't very good. Once confined to print newspapers and journals, reviews now dot many corridors of the Internet — forever helping others discover their next great read.

## Twenty

Starblood delivers on that score. .

## The 50 Best Anthology Horror Films

This might be the same story as posted in.
