Hiking the Superior Hiking Trail and Paddling the Voyageur Highway!

History of the French River Formed around 800 BC, the French River emerged from the depths of Georgian Bay Lake Huron when pressures exerted by the ice sheet during the last ice age caused the land to tilt in a southwesterly direction. The AmeriCorps, Riverside, Hillside, Cliff and Rock Bluff Trails are hiking only.

Ardeche in France, a destination and a river for canoeing and hiking

This chain of waterfalls is perfect for scrambling along the rocks in search of the perfect waterfall to receive a back massage from! Paddling upstream and downstream is possible in non-flood conditions. With packs loaded, dogs excited, and maps and permits handy, we set off.

Clinch River State Park

Parking and ramp fees are in addition to backcountry camping fees. Spend an afternoon boating from one of the seventeen marinas in Allegheny County along the three rivers, offering river access, dining and boat maintenance. Hunting Yes except in the nature reserve zone.

Ardeche in France, a destination and a river for canoeing and hiking

Artrip Boat Launch area: Latitude, 36. Browse the Dokis — French River gallery — click any image above to view a full-sized version in a pop-up carousel. MASTER PLAN A master plan must be written for a park before it is built.

Carrier Park & the French Broad River Greenway

In the 2015 General Assembly session, authorization for park pre-planning was provided.
