The Ontario Art Education Association

A pilot project groups match students by ability rather than age.

Members' Organizations

Recently, there have been parents and educational advocates pushing for de-streaming Grades 9 and 10, so students have more time to choose which pathway they would like to take. The Ontario Curriculum Grades 1-8 and The Kindergarten Program. However, it was taken advantage of and quickly became problematic as supported racial segregation towards non-White students.

Federation of Women Teachers' Associations of Ontario

While we mourn this tremendous loss and abhorrent act of hate, we hold in our thoughts the nine-year old survivor.

TESL Ontario

The FWTAO lobbied for programs and used scholarships to help individual women further their careers; they also gave scholarships to young women in. In 1994, the upheld a complaint by a female principal that the requirement that she be a member of FWTAO was discrimination.

French

These alternative schools are based on social contexts that the individual school boards deem necessary for their constituents and are funded within the publicly funded school systems. The in was the oldest continually-operating residential school in Canada. K for youngsters who turn 5 before December 31.

Designated Organizations

Curious about the job market for teachers? We stand in solidarity and support with our Muslim friends, members, colleagues and loved ones, and remain committed to providing a community free from discrimination of any kind. Challenges brought on by the COVID-19 pandemic have

reinforced and demonstrated the need for both creative and critical thinking as we move to make changes to recover from this ordeal while dealing with new and still unforeseen challenges.
