The most thoroughly researched areas so far are those of political and literary exile. Prominent in exile literature are the works of writers who were made to flee their countries by oppressive regimes. Obviously they have the advantage of looking at their homeland from the outside.

The Literature of emigration and exile : Whitlark, James, 1948

They do not attend the parties as court, ugh! In this regard their exilic condition, apparently, appears to be weak when compared to that of Conrad. He knew little English till the age of twenty years, yet, when he made his home in Canterbury, Kent, in England he had a considerable amount of English works under his name.

The Literature of Emigration and Exile by Wendell M. Aycock, James Whitlark

Naipaul, Cyril Dabydeen, David Dabydeen, Sam Selvon, M.
