## Short Biography of Ibn al Qayyim al Jawziyya

He was dominated mostly by goodness and a virtuous nature. Many of his associates would censure him at times but he would never return and leave alone this action of his, may Allah have mercy upon him. His schooling centered around Islamic jurisprudence, theology, and the science of prophetic traditions.

## Short Biography of Ibn al Qayyim al Jawziyya

Ibn Taymiyyah wrote 'with the eye', as it were, and Ibn Al-Qayyim added to that 'the heart'. There is no doubt that Ibn Al-Qayyim addressed those interested in Sufism in particular and al-umūr al-qalbiyyah - the matters of the heart - in general. And when the very first band of Islaam was the best of the generations, and the most pious of them, then their rulers were likewise.
