### What is Love?

- Robert Sternberg, an American psychologist, interviewed hundreds of men and women who said they were in love and analyzed their responses to determine the qualities of romantic love and to distinguish between romantic love and friendship
- Sternberg determined that romantic love has 3 "faces": passion, intimacy and commitment

### Analysis of the Balcony Scene in Romeo and Juliet by...

Attachment between adults is presumed to work on the same principles that lead an infant to become attached to its mother. But why does she not tell me that she is unfaithful? Stanza Two See the mountains kiss high heaven And the waves clasp one another; No sister-flower would be forgiven If it disdained its brother; And the sunlight clasps the earth And the moonbeams kiss the sea: What is all this sweet work worth If thou kiss not me? Indeed, as the scene unfolds, it is readily apparent that Orsino doesn't actually know Olivia. It is an integral part of the human condition.
