Our insight

Solimar understands the role of TIC management is complex.

A Tourism Vision for London

Ensure the adoption of skills, attitudes and behaviours that improve self-awareness to aid reflective practice. Five Point Plan In July 2015, the Government published the to boost tourism across the UK.

A brief history of London tourism since 1800

The module aims to give students an appreciation of just how critical environmental management is to the aviation business for long-term sustainability. Our overseas study tour is the highlight of the course, providing an early example of field research techniques and addressing tourism marketing, management, planning and sustainability issues. By means of the monitoring service, destinations are allowed to assess, monitor and rate the quality level of sustainability objectively.

A brief history of London tourism since 1800

The Manila Declaration was adopted in 1980 and aimed at providing guidelines for the harmonious, balanced and equitable development of national and international tourism, inviting States to formulate and implement, as appropriate, their tourism policies, plans and programmes, in accordance with their national priorities and within the framework of the programme of work of the World Tourist Organization.
