Labor laws and legislation

It is observed that a disturbing Union-busting trend is emerging whereby employers have been terminating, suspending and taking disciplinary actions against Trade Union leaders and members and workers involved in legitimate Trade Union and workers activities.

Stewards' Corner

Where organizations have proactive strategies, the goal should be to ensure that corporate objective can be achieved by gaining the maximum amount of cooperation from employees and by minimising the amount of industrial unrest.

Your Guide to Labour Law in South Africa

Relationship - how well can we improve our relationship with employees and unions? In societies of the future information and knowledge will be as in fact they already are-crucial to competitiveness. The document includes a list of questions and answers regarding Weingarten Rights.

Labor Law A Basic Guide To The National Labor Relations Act PDF Book

In both strategies involving the use of technology and promotion of innovation, employees are a critical factor. One of the most important functions of a shop steward is to hold regular workplace meetings with the members and to receive feedback from them.

Your Guide to Labour Law in South Africa

Ultimately, their first priority is to the union and its collective bargaining members.
