CHAPTER ELEVEN AT THE LOWER CROSSING—TALL BEAR'S LAST FAILURE NOTHING could have shown more strongly the confidence of Melville Clarendon in Saladin than the course he followed in trying to throw the pursuing Sioux off his track. As this print on demand book is reprinted from a very old book, there could be some missing or flawed pages, but we always try to make the book as complete as possible. A mile to the east was another crossing which was formerly used.

Tall Bear's pony was standing where he had left him, and vaulting lightly upon his back, he sent him on a gallop to the top of the hill, to learn something about the new-comers. If the new-comers proved to be enemies, a sharp fight was likely to follow, in which serious damage was certain to be inflicted on both sides.
