Wisdom of thoughts

Can it turn darkness into light, or evil into good? Wit is not really about comedy although it can be incredibly funny! Running titles have not been preserved. Some are employ'd in blowing the smiths bellows; others in pressing palm-oil; others in grinding of colours.

Judith Sargent Murray

At the same time, it affords a curious spectacle to observe, that the same people who talk in so high a strain of political liberty, and who consider the privilege of imposing their own taxes, as one of the unalienable rights of mankind, should make no scruple of reducing a great proportion of the inhabitants into circumstances by which they are not only deprived of property, but almost of every right whatsoever. From the Women, there is no danger of insurrection, and they are carefully kept from the men; I mean, from the Black men.

Beveridge, William, 1637

At the private schools she attended, she was confronted with the omnipresence of racial discrimination.

Thoughts Upon Slavery by John Wesley (1774)

It is chiefly the women and children who weave fine cotton cloth, which they dye blue and black.
