### Soviet invasion of Afghanistan

The more efficiently and predictably the Northern rail route works—starting in Latvia through Russia, Kazakhstan, and Uzbekistan—the more Moscow may hope there will be less demand to utilize the southern NDN route beginning in Georgia through the Caspian.

### Milestones: 1977

This open and inclusive regional compact would prevent regional competition and destabilization, and would be based on coordinated policies of all regional actors, including first and foremost, the Afghan government. February 1984: Death of Soviet Leader General Secretary Andropov died on February 9, 1984.

### search

CIA personnel were not authorized to enter Afghanistan, except rarely. There were attacks on resistance bases within Pakistan and an air engagement in which two Pakistani F-16s downed two intruding Soviet-made SU-22 aircraft.

### U.S. Relations With Afghanistan

Nixon and Brezhnev also concluded agreements on public health; environmental cooperation; incidents at sea; exchanges in science, technology, education and culture; and a Declaration of Basic Principles of Mutual Relations.

### The Soviet Occupation of Afghanistan Through CIA Eyes: Lessons for the United States Today

BCCI is thus in a position to dominate the flow of supplies to the mujaheddin. According to Brzezinski, an NSC on Afghanistan wrote several reports on the deteriorating situation in 1979, but President Carter ignored them until the Soviet intervention destroyed his illusions.
