The Ultimate History of Video Games:... book by Steven L. Kent

I This book intrigued me and I actually enjoyed it a lot more than I thought I would. Equal parts oral history, engineering study, business memoir, game catalogue and Gen-X nostalgia trip, Kent's book is a loving tribute to one of the most dynamic and profitable industries in the world today.

The Ultimate History of Video Games: From Pong to Pokemon

The battles over Donkey Kong and Tetris.

The Ultimate History of Video Games: From Pong to Pokemon and Beyond

It's not just about 10 years worth of old arcade games. That was replaced by a Nintendo in the early 90's and that was my platform of choice until I got my first PC in the mid 90s. Thus Fox the distributor ended the year on a high note in the stock markets.

The Ultimate History of Video Games: From Pong to Pokemon and Beyond ...

These weaknesses aside, the book is strongly recommended to those with an interest in the evolution of electronic games.
