And it makes you think.

The Democratic Wish: Popular Participation And The Limits Of American Government: Morone, James A.: 9780465016020: styleguide.expo.io: Books

Morone traces the history of participative democracy as a series of political movements occurring in various times in US history where decision-making and policy development were pushed down to the people instead of the government.

The Democratic Wish: Popular Participation And The Limits Of American Government: Morone, James A.: 9780465016020: styleguide.expo.io: Books

The struggle that followed vividly illustrates the incoherence of the American regime. And it makes you think.

The Democratic Wish: Popular Participation And The Limits Of American Government: Morone, James A.: 9780465016020: styleguide.expo.io: Books

His ingenious answer is that over time and across policy arenas a common strategy emerges to enable our âincoherentâ regimes, which lack the

capacity for authoritative action, to respond to pressing problems. PS: Political Science and Politics 29 3 : 424-430.

The Democratic Wish: Popular Participation And The Limits Of American Government: Morone, James A.: 9780465016020: styleguide.expo.io: Books

Morone sensibly insists that republican ideology and populist movements have exercised their influence in a political culture that is still overwhelmingly liberal. His treatment of the New Deal and the labor movement of the 1930s is curiously abbreviated, ending abruptly before Franklin D.
