### Personal Security interview and Poly

The FBI also conducts polygraph examinations at the request of other federal agencies.

### Polygraphs Background Investigations

We analyzed the timeliness of 53 of the 78 employee cases in our sample and found that the 53 investigations took between nine to 940 days to complete and that the corresponding adjudicative decision process took between one and 613 days.

### Polygraph Exam FAQs

FBI Security officials said that, before 2005, all applicants were given polygraph examinations before their background investigations were initiated, but in 2005 the FBI decided to begin the background investigation process for non-agent applicants before conducting their polygraph examinations as a time-saving measure.

### Failed FBI Polygraph

ATF has not conducted foreign vetting polygraphs since transferring to the Department in 2003. Perhaps you are working for the FBI or interested in working for the FBI.
