Code of Ethics

There are limited exceptions, such as for representing oneself or one's immediate family or a person or estate for which the employee acts as a fiduciary, but not where the employee has participated officially or has official responsibility. Please contact our office by phone at 212 788-8430 if you require any assistance.

The Importance of Ethics in Public Administration

What are favoritism, cronyism, and nepotism? Public Administrator The Public Administrator is an agency of the City of New York. And everyone can point to instances where cronyism or nepotism is an accepted fact of life in political sphere, as well.

The Importance of Ethics in Public Administration

Restrictions on Compensated Representational Activities - This statute prohibits a Government employee from seeking or accepting compensation for representational services rendered either personally or by another before a Federal court or Government agency in a particular matter in which the United States is a party or has a direct or substantial interest. Are you disfavoring a constituent who supported an opponent? To what extent can you allow gifts to family members and others associated with you? Is it ethical to delay a decision or obfuscate an opinion because of timing in an election cycle? **Supplementation of Federal Salary Prohibited** - This statute prohibits a Government employee from receiving any salary, or any contribution to or supplementation of salary; or anything of value from a non-federal entity as compensation for services he or she is expected to perform as a Government employee.

Government

This is intended to be a constructive process that helps members understand how the Code is applied to specific situations.

Public Officials as Fiduciaries

If it is deemed not to be a violation, the complaint will be dismissed with explanations to the complainant. Also, because favoritism is often covert few elected officials are foolish enough to show open partiality to friends, and family , this practice undercuts the transparency that should be part of governmental hiring and contracting processes.

Public Officials as Fiduciaries

The law has yet to give us an answer on this issue. Were you elected to represent the views of those who voted for you? Do you avoid the appearance of an improper conflict even if you personally believe you can act in an unbiased manner? Coursework can also help students identify instances when they may face ethical dilemmas and give them the tools to act ethically. There are limited regulatory exemptions authorized by the Office of Government Ethics, an exception for certain financial interests arising solely out of Native American birthrights, and a very limited waiver authority.
