Pantagruel (Gargantua and Pantagruel, book 1) by François Rabelais

He was a Protestant controversialist, and a satirist of fantastic and abundant imagination. The forest had long contributed significantly to local economies, with different social groups making various and often competing demands on the resources: as pasture, heat source, raw materials, income for impoverished lords who sold their wood, or hunting grounds. This was not he of Bourg, for he was too good a friend of mine.
